

Photography & Video Rules

By accessing the festival grounds, you conform yourself to the rules below! In case these rules allow room for interpretation, the final decision will be made by members of Staff, Security and Stewards.

Taking pictures during Luminosity Events.

The Luminosity Events are a marvellous opportunity for photographers. The venues and its visitors form a colourful and stylish mix favoured by many photographers. There are however a few rules and regulations in effect meant to keep things fun and within boundaries.

Below you will find our rules regarding making a photographic registration of the festival, how people need to interact with photographers and vice versa. A difference will be made between objects and people.

Authorization must be formally granted for video recording and for the use of pictures and photographs. If you are planning to bring professional equipment to the event it is required to formally ask permission to Luminosity Events Foundation.

A) Venue and objects

1) It's **PROHIBITED** to record the following locations and people before, during and after the festival in any way:

- EVERY staff Room, the VIP area and Toilets.
- Our professional security people (clearly distinguished by their bright yellow SECURITY jacket).
- Any artists performing at the festival, unless stated otherwise.
- Everyone which denies permission to have their picture taken or be filmed.

Below you will find our rules regarding the release of coverage.

Luminosity and Media
